2020-2021 N.E.S.T Program Changes and Updates in Response to COVID-19

As with all facets of our world and specifically the education world, COVID-19 has changed the way we must adapt to our new normal. In response to the mandated social distancing guidelines, we will be altering our NEST program to best fit the community's needs and the health and safety of our students and staff.

Our program's goal this semester will be to provide care for students of working families in the community. In the past, we have been a program that allowed many to take advantage of additional afterschool activities or additional time for peer interactions. In response to COVID-19 social distancing restrictions, our program now needs to function as a childcare option for families that NEED care for their child before/after school *because* they are working. In order to provide this service, we will have to make several changes to our operating procedures.

- We will be reducing our hours of operation from previous years and NOT offering Extended Care from 6:00PM-6:30PM. We will close ALL sites at 6:00PM to allow staff additional time to clean and sanitize spaces for the following school day.
- We will be changing our pricing and billing procedures to ensure that we are at our maximum capacity and operating within our means. We will now offer Session based pricing. You will be able to purchase an AM Package, PM Package or both to best fit your childcare needs.
- We will be following all the safety and sanitary measures the district and/or health department requires in response to COVID-19 .
- We will be reducing our maximum enrollment numbers to comply with mandated social distancing guidelines. We will have a waiting list available as we expect to reach our maximum capacity.
- Our drop off and pick up procedures will be contactless when possible to avoid additional exposure to staff and students.

Hours of Operations

6:30 AM – School commences

Dismissal – 6:00 PM

We service all three elementary sites:

AELC (Kindergarten)

Avon East (1st & 2nd Grade)

Heritage (3rd, 4th & 5th)

Registration and Session Information

Registration will open on August 5th at 10AM. The cost to register for N.E.S.T. 2020-2021 will be **\$30.00**.

To register, you will visit our website on the above date and time where a link will be available for registration. You will need your child's student ID to register.

Once we reach maximum enrollment, we will have a waiting list link available on our website.

Session Dates and Prices for 2020

(2021 Session Dates and Pricing TBD)

Session Dates	Session Price Range AM	Session Price Range PM
Aug 27 – Sept 23	\$105-\$120	\$160-\$180
Sept 24 – Oct 22	\$105-\$120	\$160-\$180
Oct 23 – Nov 18	\$105-\$120	\$160-\$180
Nov 19 – Dec 18	\$105-\$120	\$160-\$180

At this time, our session prices are a range. We will need additional information to finalize our pricing. Once we see our enrollment numbers and also school start/dismissal times, we will publish our final costs. We want to ensure we are offering the best price for our service while still operating within our means.

Additional information in regards to specific arrival, pick up procedures, social distancing while in our care, session pricing and payment options are available on our website.
