

**College Credit Plus Counseling Verification
Intent to Participate 2022-2023 School Year**

Ohio Revised Code 3365.09
Due in Student Services by April 1, 2022

I have received information and counseling about the College Credit Plus Program under O.R.C. 3365.09. I understand that Avon Local Schools will seek reimbursement for College Credit Plus courses under the following two circumstances:

- 1) If the student receives a failing grade at the end of the college course; or
- 2) If the student withdraws from or drops the college course after the college established deadline

I certify that I have received counseling by attending a CCP meeting at:

February 2, 2022 6:30pm-7:30pm **AHS (co-hosted by LCCC & Tri-C) – Virtual Meeting:** <https://ohconnect.zoom.us/j/92707578255>

- In addition, I acknowledge that I have been informed that Avon High School requires juniors & seniors to have at least 5 classes (5 Carnegie units) each semester. Freshman & sophomores are required to have at least 6 classes (6 Carnegie units).
 - Students participating in CCP are required to meet graduation requirements set forth by the Ohio Department of Education and Avon Board of Education. It is the responsibility of students/parents to consult with AHS counselors to ensure these requirements are being met.
 - Students are required to return textbooks to ensure no additional charges will be incurred
