

Naviance for AHS Students

Naviance is a great tool offered by AHS for our students. It helps students identify careers of interest, academic and social strengths, search for colleges and apply to colleges. Below are the parts of Naviance you can expect your student to have completed or worked on at the end of each academic year of high school.

Freshman Year

Just Getting Started

- Begin to complete Student Bio
- Strengths Explorer (Skills Interest Inventory)
- AchieveWorks Personality (matches personality to careers)
- Begin to add careers to the Careers tab

Exploring Options

- Continue completing Student Bio
- AchieveWorks Intelligences (how to further develop intelligences & careers that match with those)
- Use Careers tab to explore suggested careers

Sophomore Year

Junior Year

Preparing for the Future

- Continue to complete Student Bio
- AchieveWorks Skills (gives suggestions based on 5 soft skills)
- Review suggested high school courses for matching careers
- Add interested colleges to the "Colleges I'm Thinking About"

Taking Action Steps

- Complete Student Bio
- Add schools to the "Colleges I'm Applying To" list
- Review deadlines for applications
- Request transcripts
- Request letters of recommendation
- Begin search for scholarships

Senior Year

Want More?

At any time, students can log into Naviance and take advantage of the many features it has.

- Students can learn more about careers with the Road Trip Nation Videos.
- Students can research colleges with the College Lookup, SuperMatch or Advanced College Search.
- Students can go back to their self-discovery assessments to explore career options.
