

# Avon Avenues

## CONGRATULATIONS

by Ben Hodge, Superintendent

The Class of 2023 are now alumni of Avon High School. Thank you students, staff and families for another successful graduation as we say farewell and a new chapter begins for our talented and amazing students.

The theme for the 2022-2023 school year was #AvonRelationshipsMatter. In and outside the classroom, our Eagles continue to come together and it's truly special to watch. Through our relationship and joint partnership with the City of Avon, we were able to refurbish the courts at Avon High School. There are now eight tennis courts, and five pickleball courts. Three tennis courts can convert to pickleball courts. Thank you to Joyce Buick GMC for sponsoring the courts.

Our partnership with the city is also enabling us to install turf at the Avon Middle School field which will allow for more athletic competitions and field use within the community.

Avon High School recently announced four incoming seniors earned a perfect composite score of 36 on the ACT exam. The school also boasts 17 students that will either be named National Merit Scholarship semifinalists or commended scholars this fall. We have so much to be proud of Avon! Continue soaring Eagles and have a great summer!
