FERPA

Student Records:

The Avon Local School District Board of Education is required to follow Ohio and Federal law as to the maintenance and release of student records. Ohio and Federal law prohibit the release of personally identifiable student information except in certain specified circumstances without the written consent of the parent / legal guardian or the student, if eighteen or older. If you choose you do not want the following information released, please notify the building principal in writing by September 30, 2020. The School District may release "directory information" without consent and such information includes: names, address, telephone number, and date of birth, major field of study, dates of attendance, date of graduation, sports and activities participated in, and, in case of athletic team members, the height and weight of the student. For purposes of FERPA, members of the Board of Education, School District Administration, School Building Administration, teachers and educational aides are considered to be school officials with a legitimate educational interest in viewing student educational records.

A parent / legal guardian or eligible student has the right to inspect and review the student's educational records, as well as the right to seek the correction of inaccurate or misleading records and that personally identifiable information about the student will not be released without consent, subject to the certain exceptions listed as directory information. The Board of Education has designated the following individual(s) to contact if a parent / legal guardian or student seeks access or the amendment of educational records: Mrs. Colleen Mudore, Avon Early Learning Center Principal.

Procedures for challenging or amending inaccurate or misleading information in a student's educational record are found in Board Policy, Policy No. JO. Complaints involving an alleged violation of FERPA may be addressed to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

NON-DISCRIMINATION CLAUSE

The Avon Board of Education and its staff are dedicated to providing equal opportunities and equal employment opportunities without regard to sex, race, color, national origin, religion, gender, age or disability. If one has a concern about equal opportunities and equal employment opportunities, please contact the counselor, as they have the appropriate information on whom to contact.

Title IX

In accordance with Title IX Federal Guidelines, the Avon Board of Education has established a policy for making formal grievances of gender discrimination practice in the school format. Those wishing to make an appeal may request a Title IX Grievance Form from the high school office. Upon completion the grievance will be submitted to the designated coordinator.

Media Information and Consent

School activities may be recorded and published via pictures, video and sound bytes. This material may be used in media presentations, such as television / cable, radio programs, newspaper articles, website, etc., to (a) extend recognition to students and / or (b) to provide publicity for the school district. Student addresses and telephone numbers will not be released. If you do not want your student's image photographed, taped or recorded, please contact the administration.

ATTENDANCE

AELC ATTENDANCE

It is the responsibility of the home to have students in regular attendance. In accordance with the Missing Child Law (ORC3313.205), the following procedure will be effective. The parent / guardian must notify the school by 10:00 am if the child is absent (not in school at 9:00 am) with the reason for the absence. If a call is not received, the school will try to contact the parent / guardian. If the parent / guardian and school do not have telephone contact, the student will be marked unexcused. The school telephone number for absence is (440) 695-0561. It is a voicemail number, which is active 24 hours a day. Absence calls will not be taken on any other line (telephone number). A student is considered truant until the parent contact has been made. ORC3313.1205 requires a parent / guardian to provide the school with the current address (not P.O. Box), telephone number, parent employment number, and an emergency number.

School Day

Classes are in session from 9:00 am until 3:45 pm. Students are required to be on time. Students may not leave the building without permission from the parent/guardian. If a student is not present before 9:30 am or leaves before 3:15 pm, those minutes will be affected in their attendance indicating either a tardy or an early dismissal. All students arriving late or leaving early must be signed out by the parent/guardian or person responsible for the student. If a student arrives at school or leaves school anytime between 9:00 am and 9:30 am and 3:15 pm and 3:45 pm they will be charged a tardy or early dismissal indicating the amount of minutes that they are not in session.

Excused Absence

Beyond what is prescribed by law, the school administration is the determining agent for excused absences. Parents/guardians may request that a student be excused for the following: personal illness, family illness which necessitates the presence of the child, quarantine of the home limited to the length of quarantine as determined by the proper health officials, death of a relative, medical or dental appointments, observance of a religious holiday consistent with the student's truly held religious beliefs, college visitation, absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status, absences due to a student being homeless, or other circumstances as prescribed by the BOE. Other requests for extenuating circumstances may also be considered by the building administrator. Other requests for extenuating circumstances may also be considered by the building administrator.

In December 2016, the OHio General Assembly passed House Bill 410 to encourage and support a preventative approach to excessive absences and truancy. Beginning with the 2017-2018 school year, several changes were in effect. The new legislation mandates Ohio school to track attendance by the hour and minutes a student is absent from school.

When a student is absent from school for 38 or more hours in one month or 65 or more hours in one year with or without a legitimate excuse, the State of Ohio deems this as excessive absences. When a student is

deemed excessively absent, Avon Local Schools are required by law to report these absences to the Ohio Department of Education. No further absences will be excused unless a doctor's excuse, court document, or funeral verification is submitted to justify the need for absence.

A student is considered habitually truant if the student is absent without a legitimate excuse for 30 or more consecutive hours, 42 hours in a month or 72 or more hours in a school year.

Students who meet the definition of habitual truant will be referred to the Lorain County Juvenile Attendance Office. The student and their parents/guardians will be required to participate in a conference during which an absence intervention plan will be created to assist the family in improving school attendance. Failure to participate in this plan or should the intervention plan not improve attendance, a complaint will be filed with the Lorain County Juvenile Court. The district is also required to notify the Ohio Registrar of Motor Vehicles of the child's habitual truant status. This may result in the suspension of the child's permit/driver's license or the denial to obtain a permit/licence.

Doctor's Notes

Doctor's notes and / or medical authorization for absences must be turned in to the school office promptly in order for students to receive make-up. Medical authorizations received after five (5) school days will only change a student's attendance. Doctor's note is required to excuse absences beyond 65 hours.

Assignments

Do not request assignments on the attendance line. If a student is absent for more than two days, please contact the school before 11:00 am in order to request work. Assignments may be picked up at 3:30pm in the office. Each child is given one extended day per each day absent.

Early Dismissal

To be dismissed early, students should present a written request when they arrive in the building. Phone call requests to dismiss students are discouraged. All written requests for early dismissal must be signed by the parent/guardian. Students will not be dismissed to the office after 3:20 pm as it prevents an efficient and safe dismissal process. The voicemail number for attendance is not to request an early dismissal.

Family Vacation

Students must complete a vacation / leave request for administrative approval before their departure. This form must be returned to the office **before leaving on vacation**. Family vacations/leave requests will be considered excused absences as long as the completed request form is turned into the main office prior to leaving and the school time missed during the absence is less than 64 hours of absence per year. Any school time missed that exceeds the allotted 64 hours per year will be considered unexcused even if a form was properly turned in.

Students are responsible for meeting with each teacher to make up all missed class work. Students who are absent on a short term basis (1-2 days) should make up missed assignments within a week after returning to school. Students, absent for an extended period of time should make up their missed assignments, as the teacher directs.

Custody

Our office needs to be notified of any changes in the status of a student. Students will only be released to the legal guardian(s). Custody papers must be on file in the office when a divorce or change of custody takes

place.

Change of Address

Parents should inform the office as soon as possible if there is a change of address or phone number. Please see the district website for change of address forms.

Transfer or withdrawal of a student

Any student who is transferring to another district must be withdrawn from our school. Parents must contact the office to make arrangements, and all school property (library materials) must be returned. After the correct forms are completed and any outstanding fees are paid, student records will be released.

AELC GENERAL INFORMATION

Classroom Visitation

We want every parent to feel welcome in the school. Parents need to register in the office when coming into the school. Please feel free to sign up to participate in school events and classroom activities with your child's teacher. If you plan to visit your child's teacher, please contact the teacher 24 hours in advance. Siblings are permitted to attend activities such as star student (with teacher permission). Siblings are not permitted to attend school when a parent is volunteering for centers, work stations, or other classroom activities.

Birthdays

We recognize that your child's birthday is a special day. In an effort to minimize the amount of class time devoted to party and treat activities, and to be sensitive to our students with food allergies, we ask that you follow our district food policy. Children who wish to celebrate their birthdays may bring in a non-edible item for each child in the classroom. The district would like to promote healthy and safe choices for all students. If you are having a party for your child, please mail the invitations or phone parents (unless you are inviting the whole class, or all the boys or all the girls). This request is intended to avoid hurt feelings on the part of anyone who may not be invited. Parents will be asked to provide directory information during Open House for classroom mailing list. We will celebrate your child's special day by name recognition on the morning announcements and they will receive a birthday charm and pencil.

Money, Change and Checks

When money is sent to school for any reason (fees, lunch, field trip), we ask that you send the exact amount in an envelope clearly marked with the child's name and the name of his or her teacher. The school has no provisions to make change. All checks should be made out to the **Avon Local Schools** unless otherwise directed.

Conferences and Report Cards

Parents are expected to attend their child's conferences twice yearly and to review online report cards. Conferences have been scheduled for September 29th and October 1st as well as March 2nd and 4th. Parents are not limited to two conferences, and may request a conference with the teacher or principal at any time. We welcome your input and involvement.

Report Cards

Report cards for grades Preschool–12 will no longer be mailed home. Grades can be viewed via PowerSchool for grades 1-12.. Households without access to the internet may request paper copies through the main office. Preschool and Kindergarten report cards will be emailed home at the end of each trimester. Preschool and Kindergarten do not have access to PowerSchool.

Grades

A number system is provided for you to understand your child's development. It is important to understand that it is not age appropriate to place a lot of information into our online grading system. The Ohio State Standards allow for the development of an elementary child to grow at their own pace. The number definitions are listed below:

- (3) Demonstrates independently and consistently
- (2) Demonstrates with some support or inconsistently
- (1) Needs Improvement/does not meet expectations/requires support
- (*) Not assessed at this time

Pearson PowerSchool

Parents will be provided login information at the beginning of the school year or at enrollment for grades 1-12.. Pearson PowerSchool usernames and passwords can be obtained from the secretary if they become lost.

School Lunches

Breakfast and hot lunches are available at Avon Early Learning Center. To learn more about our food service program, go to the district homepage and click on the "About" tab, and then choose the "Food Service" tab. If your child brings a lunch from home, please have your child's name clearly marked on all lunch containers.

Library & Media Center

Open Hours: Monday-Wednesday, 9:00 A.M.- 3:30 P.M. (Thursday-Friday, Teacher-Scheduled Use)

The AELC Library & Media Center has an extensive collection of developmentally-appropriate books, digital resources, and makerspace/STEM stations--along with flexible reading and collaboration zones--to support and inspire student learning.

Kindergarten students visit the library on a fixed schedule weekly and are permitted and encouraged to check out books from the school library & media center during their library time. (Most digital materials may be accessed from home at avonlocalschools.org/library.) Each student may check out one book at a time, and the loan period is one week. There are no overdue fines. Books that are three weeks overdue will be considered lost. Students will be billed the replacement cost for any lost or damaged items. In most situations, any bills for lost or damaged library materials must be paid before another item may be checked out; however, please see library & media staff in situations of financial hardship or extenuating circumstances.

Recess and Physical Education

Whenever possible, all day students will be taken outside for recess. Please dress your child with the appropriate outdoor clothing as the weather dictates. If it begins to rain, snow heavily, or the wind chill and temperature drop below 20 degrees, recess will take place indoors.

All K students at Avon Early Learning Center will have one class period of physical education each week. All children will need to wear tennis shoes on the day they have P.E. If tennis shoes are forgotten, students may not be allowed to participate in P.E.

A child will be kept inside or may not be able to participate in P.E. if medical documentation is provided.

Emergency Medical Form/Student Information

Every Avon student must have Emergency Medical/Student Information up to date. Please note that the completion date for this is **August 31, 2020**. This information provides vital information to the staff in the event of an illness or injury. Please notify the school office of any change of address or contact numbers during the year. We recommend that emergency contacts be local relatives/friends who are able to pick up a sick or injured child if necessary.

Pick up and Drop Off Procedures

Start of School:

The front and back doors will open at **8:45 am** to begin student bus and car rider drop-off. Students are to be in their classrooms by **9:00 am**, (as this is the start of our school day). The front and back doors will close at 8:57 am. If you miss the drop-off time, you will need to park in the front parking lot and walk your child into the office to sign them in as tardy.

Car Rider Drop-off Procedure:

Drop off is at the front of the school at the main entrance. Cars will come into the main driveway and stay to the right into the parking lot, drive up the access road on the playground side of the building, and circle the parking lot to the drop-off area, which will be the front circle. Staff members will be set up indicating the drop off area. There will be 6 cars dropping off as the staff will indicate. It is critical that the children exit from the passenger side of the car **ONLY**. This will ensure the safety for all our children. Once your child is out and the cars in front of you are moving you will then exit using the main driveway. Please note: If your child needs assistance unbuckling, we ask that you park in the visitor lot, unbuckle your child, and then proceed in the line once again to drop off.

End of School:

The student day ends at **3:40 pm**. Car riders will be released at **3:35 pm**. Please see pick up procedure below.

Pick-up Procedure:

Every child will be issued one car tag with your family name on the tag. Additional tags may be purchased for \$1.00 in the main office should you require more. Please make sure you have your tag visible for staff at pick-up.

Cars will come into the main driveway and stay to the right into the parking lot, drive up the access road on the playground side of the building, and circle the parking lot to the front pick-up area which will be the front circle.

It is critical that students enter the passenger side of the car **ONLY**. Once all six children are safely in their cars, a staff member will direct the line to exit the loading zone using the main driveway. Please note: If your child needs assistance buckling, we ask that you park in the visitor's parking lot after getting your child and assist them with buckling and then exit via the main exit.

If an adult does not have a tag, they will need to go to the front office, show a photo ID and sign the student out of the building.

Buses:

Buses will drop off and pick up in the back of the building.

Walk-up drop-off and pick-up:

Each year we have a few children that need to be walked in by an adult, or picked up and walked out, for various reasons. If your child needs this accommodation, please speak with Mrs. Mudore or Ms. Rush. If you have not spoken with one of us and created a plan, we ask that you use the car line. It makes it difficult to keep kids safe when we have adults walking in and out with children.

Avon Parent Teacher Association

PTA is the combined parent/teacher association for Avon Early Learning Center and Avon Early Learning Center Schools. The mission of the PTA is child advocacy, parent education and support of education. The PTA meetings are held the first Wednesday of every month in the cafeteria at Early Learning Center. All staff, parents/guardians of students K-2 are encouraged to attend. Just some activities of the PTA include:

Room parents, Pride Day, Junior Achievement, Right to Read Week, Family Fun Night, Newsletter, Book Fair, Staff Appreciation, Reward Programs, Field Day, Community Service, Ways and Means...and more!

By joining PTA and attending meetings, you will stay informed of activities and programs at our schools, what events are coming up, and how you can be of help. PTA also provides a wonderful opportunity to meet and network with parents and family members of your child. When you join PTA you will be added to our email distribution list that will keep you up to date with issues and events pertaining to your child's education. To obtain more information or to join, click on the "PTA" link under "Parents" on the district website. Your ideas and assistance are welcomed and appreciated, and you will be glad you joined. The child that will benefit most from your involvement in PTA is your own.

School Fees and Tuition

School fees and tuition can be paid through our online system at www.payschoolscentral.com. This system can be accessed directly or through the main page of the Avon Local Schools website. The fees for Avon Early Learning Center can also be paid with a check or money order and turned in to the high school office. All checks or money orders should be made payable to the Avon Board of Education. **There is a \$10 charge for checks returned for non-sufficient funds plus an additional check collection processing fee.** Families unable to pay fees should contact the main office. Tuition needs to be paid half-way by January 1st and the remainder must be paid by May 1st.

Severe Weather - School Closings

In cases of severe weather the official announcement of school closings is posted via the Superintendent's twitter, @MikeLaubAvon. An automated text notice can also be sent to subscribers; text 56360 and join. Lastly, the district will post a notice via the district website and will use the phone messaging system.

Media / Public Relations / Photographs

While it is a goal of Avon Early Learning Center School to communicate with the press and other forms of media, parental consent is required prior to direct student contact with all forms of media. Should a parent or guardian wish to exclude his or her child from being pictured in such publications, notification must be made to the teacher directly.

Unauthorized Publication

Any unauthorized publications, signs, etc., may not be posted or distributed on school grounds.

Dress Code

In general, school dress should be such that it ensures the health, welfare, and safety of the student, and enhances a positive image of our students at school. Appropriate school clothing should be clean, fit properly and without tears or rips. Inappropriate attire includes high heels, platform shoes, tube tops, clothing that shows undergarments and swimwear. We recommend comfortable play clothes, socks and closed-toe shoes daily. Flip-flops and crocs are discouraged due to playground wood chips and mulch. Please mark all clothing with your child's name on it.

STUDENT BEHAVIOR AND DISCIPLINE

A goal of our educational program is to encourage independence and responsibility which are characteristic of the mature person. A constant respect for persons whether they are teachers, students, staff, visitors or others is a basic requirement. One of the most important lessons education should teach is discipline. While it does not appear as a subject, it underlies the whole educational structure. In accordance with this philosophy, the Avon Board of Education has adopted a "Zero Tolerance Policy" for inappropriate student behavior.

Timeout/Recess Consequences

Recess is a privilege that students are able to receive before or after the lunch period. If a student is misbehaving or not following the school rules, Avon Early Learning Center teachers and administrators reserve the right to provide a consequence in the form of a time out from a student's recess or other part of their non-academic day.

ISA

In School Assignment (ISA), may be assigned for a variety of disciplinary reasons. Students assigned to ISA are provided their classwork or any activity that was missed during class time. ISA may occur for students that are misbehaving or a student that needs to be removed from the general population for a period of time.

OSS/Expulsion

The Ohio Legislature has adopted ORC 3313.66 et seq., which has placed into law procedural standards for Out of School Suspension (OSS) and Expulsion of students from school. Suspension may be administered by the principal, or superintendent. Only the superintendent may expel a student. Make-up work is the responsibility of the student. In cases of expulsion, students may not make up their assignments. The Avon Board of Education has adopted a policy that fulfills all requirements of the law. Specific guidelines have been established in providing courses of action to pursue should a student or parent choose to appeal a suspension or expulsion decision.

Appeal Procedure

Should a parent/guardian choose to appeal a suspension/expulsion, he or she must do so in writing to the superintendent within three calendar days of the notice of suspension.

The student code of conduct is posted in the Avon Early Learning Center office.

School Resource Officer

The Avon Board of Education has assigned a School Resource Officer to the school buildings to assist in safety and security and to act as a resource for all staff and students during the school day.

CODE OF CONDUCT

The Student Code of Conduct is made available to students and parents and is posted in the office.

The rules and regulations of the Student Code of Conduct are in effect for all Avon students at all school activities both on and off school grounds. A violation of any section of the Code of Conduct will result in the following penalties. **Each section includes examples which are not intended to be exhaustive.**

Zero Tolerance Policy

Students are expected to conduct themselves in such a way that they respect and consider the rights of others. Students of the district must conform to school regulations and accept directions from authorized school personnel. The Board has "zero tolerance" of violent, disruptive or inappropriate behavior, including excessive truancy (ORC 3313.534), by its students.

A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and / or at school-related events is subject to approved student discipline regulations. The Superintendent / designee develops regulations, which establish strategies ranging from prevention to intervention to address student misbehavior.

Students and parents annually receive, at the beginning of the school year or upon entering during the year, written information on the rules and regulations to which they are subject while in school or participating in any school-related activity or event. The information includes the types of conduct which are subject to dismissal from school or other forms of disciplinary action. The Board directs the administration to make all students aware of the Student Code of Conduct and the fact that any violations of the Student Code of Conduct are punishable. The rules also apply to any form of student misconduct directed at a district official or employee or the property of a district official or employee, regardless of where the misconduct occurs.

If a student violates this policy or the Code of Conduct, school personnel, students or parents should report the student to the school administrator. The administration cooperates in any prosecution pursuant to the criminal laws of the State of Ohio and local ordinances.

The student who commits an act that inflicts serious physical harm to persons or property if it was committed at school, on other school property, or at a school activity, event or program, or is against school personnel on or off school property, may be expelled from school and recommended for permanent exclusion if the student is convicted or adjudged a delinquent child.

Anti-Bullying / Harassment / Intimidation / Bullying / Menacing / Hazing Policy

The Avon Board of Education is committed to providing a safe, positive, and nurturing educational environment for its students and staff. The Board encourages the promotion of positive interpersonal relations between all members of the school community. Harassment, intimidation, bullying, menacing, and / or hazing toward an individual such as a student or staff member is strictly prohibited and will not be tolerated.

This policy applies to all activities in the District, including activities on or off school property and / or while on a school vehicle. In addition, if these actions occur in the public sector, the perpetrator may be subject to disciplinary actions.

Definition of Harassment, Intimidation, Bullying, Menacing, Hazing

The Board views harassment as a form of discrimination. Harassment is defined as intimidation by threats of physical violence and the creation of a climate of hostility. Harassment includes the use of language, conduct, or symbols in such a manner as to be commonly understood to convey hatred, contempt, or prejudice. Harassment is also defined as the effect of insulting or stigmatizing an individual and / or group. It includes, but is not limited to, any act which subjects an individual or group to unwanted, abusive behavior. An act of harassment can be nonverbal, verbal, written, or physical in nature and based on age, gender, race, religion, color, national origin, marital status, sexual orientation, physical characteristics, cultural background, socioeconomic status, or disability. The behavior or act in question must occur more than once and have the effect of harming an individual, damaging an individual's property, placing an individual in reasonable fear of harm to the individual's person or to the individual's property, and also be sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or an abusive environment for an individual. Intimidation includes, but is not limited to, any threat or act intended to tamper, substantially damage, or interfere with an individual and / or his property, cause substantial inconvenience, subject another to offensive physical contact, and / or inflict serious physical injury.

Bullying includes, but is not limited to, an individual willfully and repeatedly exercising power or control over another with hostile or malicious intent. Bullying can be physical, verbal, written, electronically transmitted, and / or psychological in nature. Bullying may occur through attacks on an individual and / or his property, or any combination of these.

Menacing includes, but is not limited to, any act intended to place an individual in fear of serious physical, emotional, and / or psychological injury.

Hazing includes, but is not limited to, any act of coercing another, including the victim, to do and / or initiate an act against an individual which creates a substantial risk of causing physical, emotional, and / or psychological harm to another person. Permission, consent, ritual, or assumption of risk by any individual subjected to hazing does not lessen the prohibition contained in this policy.

Every student is encouraged, and every staff member is required to report any situation that they believe to be of this nature to the building administration. All complaints that violate this policy shall be investigated. If the investigation finds an instance of this nature, appropriate disciplinary action will result. This may include consequences up to expulsion for students, up to discharge for employees, up to exclusion for parents, guests, students, volunteers, and contractors, and up to a removal from any officer position and / or a request for a resignation for Board members. Individuals may be referred to law enforcement.

H.B 276 provides school district employees, students, and volunteers with qualified civil immunity for damages arising from reporting an incident of student harassment, intimidation, or bullying. Retaliation against any individual is prohibited including those who report, are thought to have reported, have filed a complaint, or have otherwise participated in an investigation or inquiry concerning allegations of this nature. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Retaliation and / or intentionally making a false report for the purpose of getting someone in trouble are prohibited and may result in disciplinary action.

A strategy will be administered to protect victims from additional harassment and individuals from retaliation.

Students and / or staff members who fail to abide by this policy will be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with Ohio law.

The Avon Local School District will report to EMIS the number of incidents of harassment by students against

other students that violate the district's anti-harassment policy.

Privacy / Confidentiality

The Avon Local School District will respect the privacy of the complainants, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the administration's legal obligations to investigate, to act, and to conform to any discovery and / or disclosure obligations. All reports generated shall be maintained as confidential to the extent permitted by law.

SECTION I

The district has the authority to issue discipline up to 80 days of expulsion with police contact for any violations of the Code of Conduct in Section I, Items 1 – 40. Most discipline is progressive in nature. For example, discipline may begin with lunch assignments, time out, In School Assignments or Out of School Suspensions.

1) Disruption in School or Class

A student shall not by use of violence, force, coercion or threat cause a disruption or obstruction to the school's operation. This will include repeated misbehavior in the classroom, school environment or on school property.

2) Profanity / Obscene Language / Uncontrolled Temper

A student shall not use profanity, obscene language, obscene gestures and signs, written or verbal, directed toward students and / or school personnel on school property or when representing Avon Local Schools.

3) Insubordination and Disrespect

Insubordination is refusing to comply with the directions of school personnel and student teachers for appropriate behavior of a student while on school property or at school activities. Verbal abuse, disrespect, dishonor or other such actions directed (written or verbal) at any member of the school staff, student teachers, or another student, will not be tolerated.

4) Forgery / False Reports

No student shall cheat, lie, prefabricate, deceive, use crib notes, receive or disseminate answers to a test, or falsify records.
