Avon Local School District - Vacation / Leave Request

The Avon Local School District believes that vacations/leaves from school during the schoolcalendar place a hardship on the student and educational process.

Ohio law requires students to attend school daily and does not provide excuses for absence outside of the following: personal illness, family illness, quarantine, death of a relative, medical ordental appointment, observance of a religious holiday, college visit, or other circumstances as prescribed by the Board of Education.

Should a vacation/leave be necessary, a formal request is required for approval five days inadvance. Approval must be sought by the school level administration.

Approved vacation/leave days will be subtracted from the student's attendance bank ofhours/days.

Students with approved leaves should acquire all potential make-up work in advance of the leave. If a teacher is unable to provide all materials in advance, he or she will do so upon the student's return. One day for each day approved vacation/leave will be allotted for the completionof make-up work, unless the classroom teacher or administration extends the deadline.
