

Guidelines for Student Athletic Eligibility

Produced By The Ohio High School Athletic Association

For School Counselors

Revised 5/16

Virtually every scholarship appeal that comes to the OHSAA office places sole responsibility on you, the school counselor, for a student's failure to meet the requirements of the applicable scholarship bylaws found in 4-4. Even though that notion is absolutely incorrect and OHSAA rules make reference to the fact that scholastic success is a shared responsibility with parents and students expected to shoulder most of the load, the Commissioner's Office has prepared this document to inform you of the crucial information you need to know in order to advise students appropriately.

IMPORTANT ITEMS TO KNOW

HIGH SCHOOL

1. All high school students **MUST** be enrolled in and earn passing grades in a minimum of **five one-credit courses** (or the equivalent) each and every grading period to have continuing eligibility.
2. Participate in every effort to ensure that all students are fully scheduled in a minimum of five one-credit courses each grading period.
3. If a student comes to you and asks to drop a course, ask the following questions:
 - a. Are you a student athlete?
 - b. What sports do you play?
 - c. Have you visited with your athletic administrator or principal to determine if dropping this course will affect your eligibility to play a sport?
4. Do not allow the student to drop a course which reduces his/her course load below five one credit courses unless you receive a form from a senior administrator a template of which can be accessed here: <http://www.ohsaa.org/eligibility/forms/SuggestedScheduleChangeForm.pdf>
5. The required Physical Education Course is not a full credit course. Do not count this course as one of the five full credit courses.
6. Always contact your principal or athletic administrator if you have any questions.
7. The OHSAA has **no** minimum grade point (GPA) requirement, thus issues regarding eligibility when only the GPA is of concern are strictly a local school district matter and **not** an OHSAA matter

Grades 7-8

1. All 7-8th grade students **MUST** be enrolled in and earn passing grades in a minimum of five courses each and every grading period to have continuing eligibility..
2. Participate in every effort to ensure that all students are fully scheduled in a minimum of five courses each grading period.
3. If a student comes to you and asks to drop a course, ask the following questions:
 - a. Are you a student athlete?
 - b. What sports do you play?
 - c. Have you visited with your athletic administrator or principal to determine if dropping this course will affect your eligibility to play a sport?
4. Do not allow the student to drop a course which reduces his/her course load below five courses unless you receive a form from a senior administrator a template of which can be accessed here: <http://www.ohsaa.org/eligibility/forms/SuggestedScheduleChangeForm.pdf>
5. Always contact your principal or athletic administrator if you have any questions.

NOTE: "Grading period" is defined as your school's board-adopted calendar. In most school districts, this is a nine-week period, while some districts use six- or 12-week periods or semesters. It should also be noted, however, that interim, biweekly or weekly evaluations are not considered "grading periods," and restoration of eligibility is **NOT** permitted after such evaluations.

In addition, students who have not met the high school or 7-8th scholarship requirement are not "substantively eligible;" and a student who fails to register for enough credit hours, fails a class(es) or drops a class that lowers the student below the requisite number of credits, always has a shared responsibility for this shortcoming thus disqualifying such shortcoming from the "due solely to an administrative error" category. Therefore, the administrative error bylaw shall never be used in conjunction with Bylaws 4-4-1 or 4-4-5.

Examples of Determining Student Eligibility – Grades 9-12

Passing grades must be received in a minimum of five one-credit courses, or the equivalent, in the immediately preceding grading period. To determine credit equivalency, multiply full-year courses by a factor of 1; semester courses by a factor of 2; twelve-week courses by a factor of 3; and nine-week courses by a factor of 4.

Example 1: 1st Nine-Week Grading Period

Subject	Grade	Credit & Duration	Factor	Credit Equivalency (Must Equal 5 Units or Equivalent)
English 10	C	1 - all year	1	1 x 1 = 1
Spanish I	D	1 - all year	1	1 x 1 = 1
Health	B	1/2 - semester	2	1/2 x 2 = 1
Algebra	F	1 - all year	1	0
Computers	C	1/2 - semester	2	1/2 x 2 = 1
Social Studies	C	1/2 - semester	2	1/2 x 2 = 1
Total Credits				5 = eligible for 2nd grading period

Example 2: 4th Nine-Week Grading Period

Subject	Grade	Credit & Duration	Factor	Credit Equivalency (Must Equal 5 Units or Equivalent)
English	C	1 - all year	1	1 x 1 = 1
O.W.E.	F	2 - all year	1	0
O.W.E.	D	1 - all year	1	1 x 1 = 1
History	B	1 - all year	1	1 x 1 = 1
Health	B	1/4 - semester	2	1/4 x 2 = 1/2
Typing	C	1/4 - 4th 9 weeks	4	1/4 x 4 = 1
Total Credits				4 1/2 = ineligible for 1st grading period of next school year

Post-Secondary Option – College Credit Plus – New for 2015-16

Note: If a student is taking all course work at the post-secondary institution under the College Credit Plus program, the calculation of equivalency has changed. Please note that in accordance with Bylaw 4-4-1, all courses taken in College Credit Plus must count toward high school graduation.

In addition, students electing to enroll in CCP must be certain that 1.) The faculty members at the post-secondary institution understand that they will need to provide grades or a progress report at the time when the high school's grading period is over, and 2.) The student-athlete is taking enough course work at the post-secondary institution exclusively or between the post-secondary institution and the high school combined to be equivalent to five one-credit courses. Calculating equivalency of credits in the post-secondary institution is conducted in the same manner as in the high school, based on the Carnegie unit. **College courses for which three or more semester hours of credit are earned shall be awarded one Carnegie unit. Fractional Carnegie units will be awarded proportionately.** Examples of CCP options:

-1-

Example 1: 1st Nine-Week Grading Period

Subject	School	Credit & Duration	Credit Equivalency (Must Equal 5 Units or Equivalent)
History	High	1 (year course)	$1 \times 1 = 1$
Literature	CCP	3 semester hours	$1 \times 2 = 2$
Calculus	CCP	5 semester hours	$1 \times 2 = 2$
Biology	CCP	3 semester hours	$1 \times 2 = 2$
Total Credits			7 = eligible for 2nd grading period provided all courses passed

The factor of 2 is used for post-secondary institutions that are on the semester system.

Example 2: 4th Nine-Week Grading Period

Subject	School	Credit & Duration	Credit Equivalency (Must Equal 5 Units or Equivalent)
French	CCP	5 semester hours	$1 \times 2 = 2$
Sociology	CCP	3 semester hours	$1 \times 2 = 2$
Computers	CCP	2 semester hours	$.67 \times 2 = 1.34$
Geology	CCP	3 semester hours	$1 \times 2 = 2$
Total Credits			7.34 = eligible for 1st grading period of next school year provided all courses passed

The factor of 2 is used for post-secondary institutions that are on the semester system. Note that this student is taking all courses at the post-secondary institution, which is acceptable.

Block Scheduling

Block scheduling or double blocking of courses does not change the calculation of credit equivalencies as required in OHSAA bylaws. Courses taken over one semester or one quarter (9-week period) carry a factor of 2 and 4, respectively. Therefore, if a student takes an English course during the first semester only and receives one credit for passing that course, that class carries an equivalency of 2 (1 credit x the factor for a semester course (2) = 2). Examples of block scheduling:

Example 1: 1st Nine-Week Grading Period

Subject	Grade	Credit & Duration	Factor	Credit Equivalency (Must Equal 5 Units or Equivalent)
English 10	C	1 - semester	2	$1 \times 2 = 2$
Spanish 2	C	1 - semester	2	$1 \times 2 = 2$
Health	B	1/4 - 1st 9 weeks	4	$1/4 \times 4 = 1$
Total Credits				5 = eligible for 2nd grading period

Example 2: 3rd Nine-Week Grading Period

Subject	Grade	Credit & Duration	Factor	Credit Equivalency (Must Equal 5 Units or Equivalent)
Calculus	B	1 - semester	2	$1 \times 2 = 2$
French	C	1 - semester	2	$1 \times 2 = 2$
Phys. Ed	A	1/4 - semester	2	$1/4 \times 2 = 1/2$
Total Credits				4 1/2 = ineligible for 4th grading period

Examples of Determining Student Eligibility – Grades 7-8

Passing grades are required in a minimum of five subjects in which enrolled in the immediately preceding grading period. All courses, regardless of how many times per week the course meets, in which a student receives a grade count toward this eligibility requirement.

Example 1: 1st Nine-Week Grading Period

Subject	Grade
English	F
Math	B
Home Economics	B
Computers	C
Music	C
Health	F
Credits Passed	4 of 6 classes = NOT eligible for 2nd grading period

Example 2: 3rd Nine-Week Grading Period

Subject	Grade
English	F
Math	D
Industrial Arts	C
Music	B
Computers	B
Physical Education	B
Credits Passed	5 of 6 classes = eligible for 4th grading period
